CRL SPIDER FITTINGS

CRL SPIDER FITTINGS FOR GLASS WALLS

- Available in Mini, Regular and Heavy-Duty Designs
- For Use with 3/8" to 13/16" (10 to 20 mm) Tempered Glass
- Spiders for Mounting to Posts, Walls or Fins
- Styles Available for Rigid Head and Swivel Head Applications
- Made of 316 Alloy Stainless Steel in Two Attractive Finishes: Brushed or Polished

CRL has an extensive line of Spider Fittings for use in creating 'All-Glass' Façades. They can be attached to vertical columns, vertical "I" beams or vertical glass fins. Whichever method you use, when viewed from the exterior, the façade looks like a series of glass sheets floating in space with no vertical or horizontal metal to detract from the appearance. The Spider Fittings themselves are beautifully finished in brushed or polished stainless steel that has been structurally tested to carry the panel weight and handle required wind loads. CRL has glass attachment fittings in fixed or swivel configurations in both flush

or cap styles. Their Technical Sales Representatives will guide you through the design and quotation process and can also provide you with calculated and certified drawings, stamped by a licensed engineer.

For additional information, contact CRL Technical Sales at (800) 421-6144 in the U.S., (877) 421-6144 from Canada, or (323) 588-1281 International. Ask for Ext. 7770. You can also e-mail them through their web site at crlaurence.com. From the home page click on Contact Us, and then click on Technical Sales for Architectural Metals Products.

CRL SPIDER FITTINGS (Regular and Heavy-Duty) FOR POST/COLUMN MOUNTING AND GLASS OR METAL FIN MOUNTING

CRL offers fourteen design options in both Regular and Heavy-Duty Spider Fittings for mounting to posts, columns, or fins.

Made from 316 alloy stainless steel, these fittings provide a beautiful, virtually maintenance free finish that complements most any décor.

MINI SPIDERS AND SPECIALTY GLASS FITTINGS

CRL has a complete line of Mini Spider Fittings in nine designs for use in a variety of railing and custom applications. When these standard Mini Fittings are not quite what you are looking for, let their design team develop Specialty Fittings to meet your needs. Made from 316 alloy stainless steel, these durable Fittings will offer many years of beauty.

POPULAR CRL SPIDER FITTING STYLES:

CRL Three Arm Heavy-Duty Post Mount Fitting

CRL Four Arm Heavy-Duty Post Mount Fitting

CRL Double Arm Heavy-Duty Wall/Fin Mount Fitting

CRL Single Arm Heavy-Duty Wall/Fin Mount Fitting

CAP OR FLUSH GLASS ATTACHMENTS WITH RIGID OR SWIVEL TYPE HEADS

Cap Mount Glass Attachment with Rigid Type Head

Flush Mount Glass Attachment with Rigid Type Head

Cap Mount Glass Attachment with Swivel Type Head

Flush Mount Glass Attachment with Swivel Type Head

To complete CRL's Spider Fitting line, they offer two types of Combination Glass Attachments, Rigid or Swivel. Rigid for exact placement of panels and Swivel that allows up to 6 degrees of tilt in any direction before securing in place. These Attachments allow for the glass mounting to be either with countersunk or standard holes. They can accommodate from 3/8" to 13/16" (10 to 20 mm) tempered glass and are also made of durable 316 alloy stainless steel.
