

SUN CONTROL SYSTEMS

Special Features

- Welded Systems for Structural Integrity
- Efficient Light Transmission
- Practical Design for Minimal Field Labor
- Three Standard Sizes With Custom Sizes Also Available
- Powder Painted Metallic Silver
- Custom Painted Finishes are Also Available

We offer the CRL7700 Series Aluminum Sunshade in three popular standard sizes to minimize field labor and cut down on expenses. If these three sizes do not work for your design, we will custom manufacture the CRL7700 Series to exactly your specifications in our state-of-the-art manufacturing facility in Los Angeles, California.

All standard size units come powder painted in a metallic silver finish, with the option of custom painted finishes available. Give our Architectural and Ornamental Metals Technical Sales Team a call today to discuss your next Sunshade project at (800) 421-6144 in the U.S., (877) 421-6144 from Canada, or (323) 588-1281 International. Ask for Ext. 7770. You can also email us at archmetals@crlaurence.com.
