SERIES 2000 SLIDING DOORS

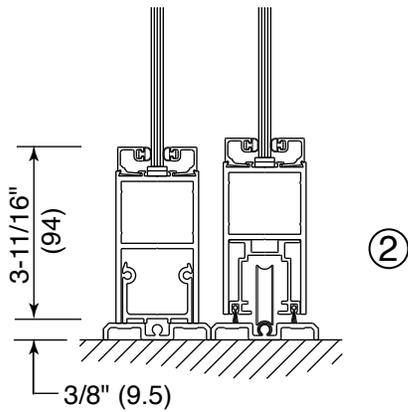

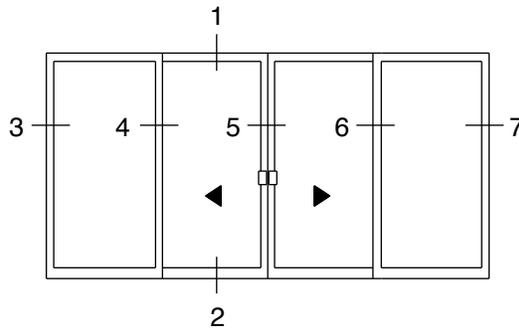

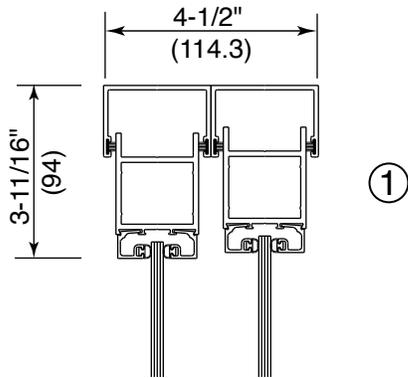

- Interior Applications Only
- Sliding and Pocket Doors Available
- Single or Dual Glazed
- Interlocking Stiles
- Flush Finger Pulls
- Adjustable Tandem Rollers
- Recessed or Surface Floor Tracks

This multi-track slider is engineered with stacking head channels and bottom tracks allowing multiple slider combinations. Rugged overall construction coupled with heavy wall stiles and interlocks create a truly monumental sliding unit.

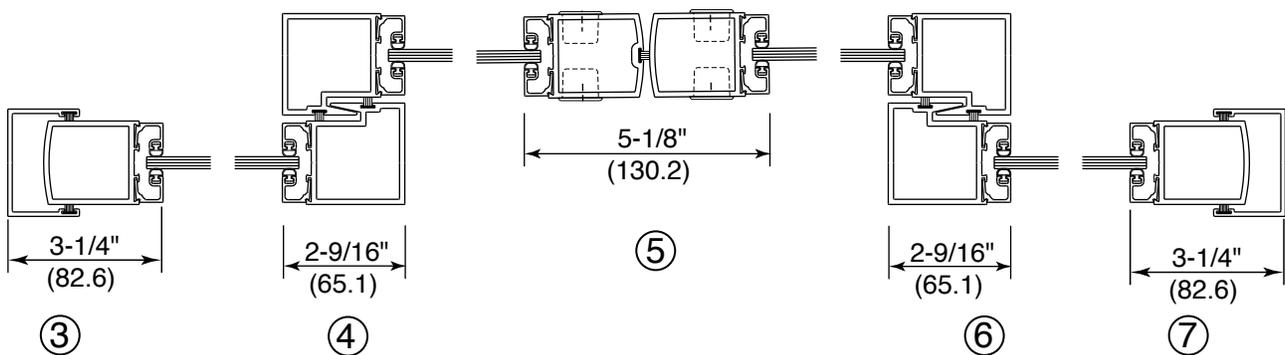

Doors are equipped with flush finger pulls, hooklocks, and cylinders. Adjustable tandem rollers and floor track with stainless steel caps ensure smooth operation and durability.

SERIES 2000 SLIDER TYPICAL DETAILS

The Series 2000 Slider is for interior applications only. For other configurations see our Architectural Design Manual.
